

The diagram illustrates the required margins for a print layout. It features a light gray rectangular area representing the page content. This area is enclosed by a blue border, which is further surrounded by a red border. Two arrows originate from the text 'RED LINE IS THE CUT LINE' and point towards the red border. A horizontal double-headed arrow spans the width of the blue border, with the text 'BLUE LINE IS THE SAFETY LINE' centered above it. In the bottom right corner, the final dimensions for the finished and bled-out versions of the page are provided.
